Crafting  
**Excellence**  
in Olive Oil

Tradition, Innovation, and Health in Every Drop

# The Heart of Olivko

Olivko was founded with the mission of combining ancient olive oil traditions from the Mediterranean with modern expertise.

Our olives are harvested at their peak, ensuring a product that reflects thousands of years of heritage while meeting today's highest quality standards.

**Organically  
Grown**

**Early  
Harvest**

# Pure Process Pure Quality

From the tree to the bottle, Olivko controls every step. Our olives are harvested with care and pressed within hours to lock in freshness.

We use advanced milling technology, yet we honor ancient methods, ensuring that our olive oil remains rich in polyphenols and free from oxidation.
