PROCEDURE AND PAYMENT TERMS:

- Buyer issues order confirmation in the form of an ICPO and CIS
- Seller issues his corporate offer FCO
- Buyer confirms FCO, signs and returns to seller
- Seller issues SPA with full terms and conditions for buyer's review
- Buyer confirms or amends the SPA, contract, signs each page of the SPA and Returns the signed copies to the seller for countersignature by corporate mail or DocuSign
- Seller upon receipt of the signed SPA by buyer, also signs the SPA and issues a Proforma Invoice .
- Guarantee for the contract: 100% DLC, Confirmed 100% at sight, Transferable/Non Transferable from a 25 top Bank, revolving for a month, and the payment will be upon receiving shipping documents, SGS, and BL. at the port of loading.
- Once the Seller's bank has accepted the DLC , he will issue a 2% Performance Bond to the Buyer
- Payment 100%, MT 103 within 2 to 3 banking days after receiving shipping documents, SGS, and BL. at the port of loading.

With this arrangement, no deposit is required before processing the order, so the Seller will begin processing it right away. the Seller will notify the Buyer when the goods are going to be shipped.

All of our products are eligible for being imported to China. (GACC, SIP, etc.). And the factories have documents to export to China. This information will be provided together with the shipping documents.

Our company has a local branch in Guangzhou, China, then Chinese buyers can pay the goods in the Chinese currency if required.
